

- 1 All members and visitors shall carry and display their respective member/visitor ID badge at all times while on the Club premises.
- 2 The Club Calendar provides a reasonable number of matches in the WAPA ISSF, PA and Single Action Disciplines to meet minimum WAPOL activity requirements. Refer page 4 for match notations.
Sport Pistol for men is permitted as an activity for Club matches BUT NOT for Club Championships or any Open event.
- 3 Only matches shot during the period covered in the Club Calendar will be recorded for activity purposes. Matches shot outside the official Club Calendar start and end dates may only be recorded for activity with prior approval of the Management committee.
- 4 If three or more shooters are present then there must be a designated non shooting Range Officer.
- 5 If you are the only member in attendance and you are ready to shoot a SATURDAY or SUNDAY Calendar match you may shoot on your own, complete your score card and deposit it in the Score card slot to record an activity. Add note on the score card to state you were the only shooter there at the time to shoot that match. **Midweek matches must have not less two shooters in the match**
- 6 Calendar matches take precedence over practice shooting and informal matches. Ranges D,E,F and G are predominantly for normal Calendar 25 m/yd matches, unless otherwise directed by the Club Captain.
- 7 No Club shooting or practice is allowed on any range during a Club hosted State Championship or Busy Bee. During a Club hosted Open, which may require a limited use of Club ranges, the Committee may permit member match or practice shooting on designated ranges as shown on the Club Calendar.
